THE ALL GAUGE MODEL RAILWAY CLUB

About us

The All Gauge Model Railway Club's temporary Clubhouse is open now.

You are welcome to drop in, introduce yourself, and perhaps run some of your trains with us at 21 Queens Way, Yeerongpilly.

Members run on OO/HO and N trackage on Wednesdays and Saturdays from 10am to 2pm and Friday nights from 7pm to 10pm. TableSales are NOT at this address.

See a photo and location map to the Clubhouse on our website www.allgauge.org.au.

The AGMRC is one of Brisbane's most established and inclusive model railway clubs:

> We have been active in Brisbane for nearly 50 years, with a rich community history.

> Former Brisbane Lord Mayor Clem Jones was our first patron. He supported us from the beginning and was responsible for setting us up in our original home at the Clem Jones Centre. Read the History and the story of the club on our website.

> People of "all ages" and "all gauges" join the club for running days, shows, and table sales.

> It has a diverse membership with a mix of male and female seniors, juniors and families.

> It is Social Centre for creativity in a traditional, world-wide hobby which is the second largest hobby in the world.
